

**YOUTH ENERGY & CLIMATE  
LEADERSHIP SUMMIT**  
BY INSIDE EDUCATION

## **Generate 2021 Virtual Summit March 18, 2021**

<b>Start Time - 9 AM</b>
<p><b>9:00 - 9:30</b> <b>Welcome &amp; Keynote</b> <i>Start the day off with some inspiration and hear about how you are an important part of Alberta's energy story.</i></p>
<p><b>9:30 - 10:30</b> <b>Explore Energy (Offline)</b> <i>Inside Education will provide all the tools you need to learn about the energy in your community with curated content featuring local energy projects, interviews with leading energy experts, video tours, and climate simulations.</i></p>
<p><b>10:30 - 11:15</b> <b>Your Energy Future - Discussion &amp; Expert Q &amp; A</b> <i>After you've explored on your own we will reconvene to meet with experts who can answer your questions about energy. Representing the spectrum of perspectives on energy, this dynamic conversation will highlight key topics like climate change &amp; greenhouse gases, emerging technologies, the green economy, and more!</i></p>
<p><b>11:15 - 1:15</b> <b>Ready, Set, GeneRACE! (Offline)</b> <i>Get your supplies ready and rally your team spirit! This offline design challenge will test your speed, skills, and energy know-how in the classroom and beyond. Everything you need will be provided to your school prior to the start of the program.</i> <b>This is also your team's opportunity to have a lunch break!</b></p>
<p><b>1:15 - 2:00</b> <b>A+ for Energy - Youth leadership and how to get an energy grant for your school project</b> <i>Hear how other students around the province are making a difference in their schools and communities and develop an action plan to share your enthusiasm for energy with others. We will also explain how you could receive \$5000 to make your energy ideas a reality!</i></p>
<p><b>2:00 - 2:30</b> <b>Project Showcase &amp; Generate Closing Remarks</b></p>

*Tentative Schedule as of Feb 8; schedule subject to change*
